

**Customer Communication Guidance
COVID-19**

Version 1

28/06/2022

This document will provide all departments who communicate with Customers the company guidance and standpoint on questions & contractual T&Cs regarding Covid-19.

Private Hire

Booking & Cancellation queries

Q. If I cancel my booking because of CoronaVirus, will I get a refund?

A. Any hirer who makes a cancellation as a result of CoronaVirus will still be contractually obliged to pay the cancellation fees in accordance with the T&Cs agreed to at the time of booking. These are as follows:

Days prior to cancellation charge:

8 days or more	20%
6-7 days	25%
3-5 days	35%
2 days	50%
1 day	75%
Day of Travel	100%

However, we will allow the following adjustments to assist customer requirements during this time.

To avoid forfeiting an amount paid or owed against a booking, you will be given the option to retain the 20% deposit fee, or any further amount paid, as credit towards the rescheduling of the hire at a later date. The rescheduled hire will require a new quote & may affect the price.

For all hires that incur additional costs, the hirer will still be required to pay any of these that are not recoverable by the company when rescheduling the hire, including, but not limited to, Driver costs, driver accommodation costs, ferries & crossingary products purchased by the company for the purpose of this hire.

Q. What if the Government makes the decision to cancel all large group events? (including events such as Cheltenham, Grand National etc)

A. Any closures of public spaces or cancellations of large public events by the Government that result in the hirer cancelling a booking will still incur the cancellation fees as agreed to in the booking T&Cs. As the Government is not putting a stop on transportation in this scenario, the liability would fall with the hirer who can seek compensation with the event holders/ organisers should they wish to.

Q. Is there a reduction in the normal cancellation fee as a result of Covid-19?

A. No, normal cancellation fees will apply, as agreed to in the T&Cs.

Q. On our booking link, it says that if the customer does not pay their deposit within 7 days of making the booking, we will release the coach. Why should they still have to pay the 20% deposit?

A. The 20% deposit will be required at the time of booking to ensure our transport planning service is covered. When the customer signs the T&Cs and makes the booking, they agree to pay 20% of the value of the hire if they cancel the booking, and payments in accordance with the cancellation scale for bookings cancelled within 7 days of the travel date of the booking.

Q. What happens if Coachfinder cancels the booking?

A. The customer will be due a full refund if the booking is cancelled by us.

Q. What if travel into Europe/border crossings are restricted and therefore the booking has to be cancelled by us (the company).

A. The customer will be refunded for the cost of the hire as we have been unable to complete it.

Q. Is cancellation of a booking by the hirer covered by a Force Majeure clause?

A. There is no Force Majeure clause in the Private Hire contract that was agreed to by the customer at the point of booking. In any case, the hirer is choosing to cancel the booking and therefore could not argue a direct causal link between the event (Covid-19) and the non-performance.

Vehicle & Driver standards and precautions

Q. Are we taking extra precautionary measures in regards to the cleaning of our vehicles?

A. We are ensuring our vehicles are deep cleaned with appropriate cleaning products after every single hire to ensure every precaution is taken to keep our vehicles properly sanitised. All vehicles go through a rigorous cleaning regime on a daily basis as standard.

Q. What checks are we carrying out to ensure the drivers used on any hire are not at risk of or pose a risk of infection?

A. All of our drivers (and non driving staff) are fully briefed in the guidance from Public Health England. We have hand sanitiser available for all staff and issue frequent communications to ensure all necessary precautions are taken and that all staff are up to date with the official published government information and advice.
